Request for Amendment to Contract RD-71 With [REDACTED]
Government and Industrial Division

25X1

1. In answer to a request by this Office, the [REDACTED] has prepared a proposal for furnishing a number of spare parts for the RR-11AA/BB transistorized receiver equipment presently being developed under Contract RD-71.

25X1

2. Attached are two (2) each copies of the covering letter, the [REDACTED] Quotation and Price Analysis. This proposal has been reviewed and found to be acceptable.

25X1

3. It is therefore requested that an amendment be executed to the subject contract for the production of the indicated spare parts. Requisition No. MSB 57-97 in the amount of \$3,402.00, chargeable to Allotment No. 7-7995-50, is attached for this purpose. All material produced by the terms of this amendment should be unclassified.

Attention: Contracting Officer

Subject: Contract RD-71; [] H-2026;
Spare Parts Requirement

25X1

Enclosure: (1) [] Quotation H-2026-(3) (4 copies)
(2) Price Analysis (4 copies)

25X1

Gentlemen:

This proposal is being submitted to effect an appropriate amendment to Contract RD-71 permitting this contractor to provide the necessary Spare Parts for maintaining the equipment being fabricated under subject contract. Procurement of the items and quantities specified within Enclosure (1) is suggested, however prior to initiating further action, we await your review and final approval. It is to be noted that the quantities indicated for the components listed under Items 5 and 6 are based on support of ten (10) complete units.

We trust that sufficient information is furnished herein to permit early definitization of Spare Parts.

Very truly yours,

25X1
